

# STARLIGHT SOIRÉE

*From Our Home to Yours*

*Saturday, May 1, 2021*

Please join us for an inspirational event to honor survivors of violence, support the life-changing services that Tubman provides, and show your commitment to a world of safety, hope, and healing.

This year's Starlight Soirée will be a unique hybrid event, featuring an engaging video program to watch in the comfort of your home, an enticing online auction and the option of a socially distanced tour of the newly renovated Tubman Chrysalis Center. Sponsor guests will each receive a party box of refreshments during their reserved tour time slot.

We ask for your support in sponsoring this event during a time of increased need for Tubman services as more people are experiencing isolation, fear and violence due to the pandemic. They may not know when they can safely call for help, but together with your support, Tubman will answer.
