## All are welcome here

Tubman partners with **many culturally specific organizations** in our community and can make referrals as needed. We work with **ThinkSelf** to strengthen our advocacy services for survivors who are deaf or hard of hearing. In 2013, Tubman completed work on a three-year project in partnership with the **Minnesota Brain Injury Alliance** to develop best practices for serving domestic violence survivors with seen and unseen disabilities, and has continually focused on making our organization more accessible, safe, and welcoming.

## Countless Ways to Help

### Are you passionate about making a difference?

Tubman relies on volunteers and interns to make a difference in every facet of our work. From our childcare champions who play with little ones while their parents receive services, to Resource Counseling Advocates who provide supportive counseling, safety planning, and community resources on the crisis line, to administrative volunteers who lend their office skills behind-the-scenes to keep us organized... the passion and energy of our amazing volunteers and interns is essential to the daily work of our organization and to the support of our clients and community.

### Volunteer and Intern Training

Tubman's Volunteer and Intern Services team provides an in-depth orientation and training series that all volunteers, interns, and staff attend. Topics include professionalism and boundaries, self-care, relationship violence, family law, crisis intervention, and de-escalation techniques.

The five-part series—offered in January, May, and August—allows all volunteers and interns to gain an understanding of Tubman as an organization, understand Tubman's philosophy and guidelines for interacting with those we serve, meet other new volunteers and interns, and cultivate skills needed for their new positions.

### Will you join us?

Contact us today about volunteering or interning at Tubman. You can give us a call directly at (612) 767-6680, email us at [volunteer@tubman.org](mailto:volunteer@tubman.org), or check out our current volunteer and internship opportunities and complete an application at [www.tubman.org](http://www.tubman.org).

### Family Violence Safety Planning

We can help you develop a safety plan that is unique to your family's situation. This includes planning for your home, work, social media, childcare, and more. Safety plans can also be made for youth of all ages.

**For more information: Call the 24-hour line at (612) 825-0000.**

### Resource Counseling

Resource Counseling Advocates are available by phone, appointment, or walk-in at each of our two locations (in Minneapolis and Maplewood) to help people find the resources and support they need, either at Tubman or by making referrals to other community options.

**Call the 24-hour crisis and resource line at (612) 825-0000 or email [resources@tubman.org](mailto:resources@tubman.org).**

### Hennepin County Family Violence Waivers

Families that receive MFIP (Minnesota Family Investment Program) assistance and that are also experiencing domestic violence may qualify for a Family Violence Waiver, which exempts families from the 60-month MFIP time limit while they have this waiver. For residents of Hennepin County, Tubman can assist with this process.

**For more information, call (612) 767-6633.**

### Safe at Home address confidentiality

Tubman staff can assist with applying for the Safe at Home program, Minnesota's address confidentiality program administered by the Office of the Minnesota Secretary of State. It is open to people who are survivors of domestic violence, stalking, sexual assault, or to those otherwise who fear for their safety. Safe at Home assigns an alternate address that they can legally use for all their interactions in Minnesota.

**For more information, call (651) 789-6730 and leave a message with your name and phone number.**

## Safe Shelter and Transitional Housing

### Family Violence Emergency Shelter

Tubman is Minnesota's largest provider of domestic violence shelter services. **Shelter is available for people of all ages and all genders who are victims of domestic violence.** Clients have the opportunity to participate in domestic violence support groups, safety and goal planning, and will be connected to other community resources to best support their goals. Staff include a mental health therapist, parent support specialist, housing navigator, and child and youth specialists. Other Tubman programs, including legal services or help with mental and/or chemical health issues, are also available to residents. *Some programming is currently on hold or different due to safety precautions during the COVID-19 pandemic.*

## Tubman's Legal Services

### Criminal Court Advocacy

Victims of domestic assault and related crimes in **suburban Ramsey County** (misdemeanor and gross misdemeanor) and **Washington County** (misdemeanor, gross misdemeanor, and felonies) can receive help from a legal advocate. Advocates provide information on the court process and meet with victims at court. Resources are available to assist with remote court hearings.

**For more information, call (651) 789-6730.**

**For criminal court advocacy in Hennepin County:** Please contact the Day One hotline at 1-866-223-1111.

### Orders for Protection (OFP)

Tubman legal advocates can write and file Orders for Protection in Ramsey, Washington and Hennepin counties, and can assist at Order for Protection hearings in Washington, Hennepin, and suburban Ramsey counties. Resources are available to assist with remote court hearings.

**The OFP Process:** An advocate will help the client (petitioner) write the statement describing the abuse (affidavit). The affidavit will go to a judge, and if the judge signs it an emergency OFP is in place immediately. This order is then served on the abuser (respondent), who has a right to request a hearing. The client may need to go to court, so keeping documentation (police reports, photos, texts, e-mails, etc.) is helpful.

**For more information, call (651) 789-6730.**

During the assessment, a mental health therapist will ask questions about how clients get along with other people, including their family and friends.
