

Can you help brighten the holidays for someone at Tubman?

Please join us for Tubman's annual

Holiday Gift Program

and you can make a difference for women, men,
and children seeking help at Tubman this year.

Last November, Amanda and her teenage son moved in Tubman's Transitional Housing program. At the time, Amanda was 9 months pregnant, homeless, and being stalked by her abusive partner. In early December, she gave birth to a baby girl and a few days later, returned to her apartment at Tubman. She was overwhelmed by her circumstances and worried about having holiday gifts for her kids. Through the generosity of the community and Tubman's Holiday Gift Program, Amanda and her children received not only presents, but the gift of knowing someone cares.
